- B. It is the responsibility of the parents/guardians to ensure their children attend school regularly. Emancipated students are responsible for their own school attendance.

II. Notification When Student Fails to Report to School

- A. Whenever a student fails to report to school on a regularly scheduled school day and no indication has been received by school personnel that the student's parent is aware of and supports the absence, school personnel or volunteers organized by the school administration for this purpose shall make a reasonable effort to notify the parent by telephone in order to receive an explanation for the student's absence.
- B. Whenever a student fails to report to school for a total of five scheduled school days for a school year and no indication has been received by school personnel that the student's parent is aware of and supports the student's absence, and a reasonable effort to notify the parent has failed, the school principal or his/her designee shall make a reasonable effort to ensure that direct contact by the attendance officer or other school personnel is made with the parent either in person or by telephone to obtain an explanation for the student's absence and to explain to the parent the consequences of continued nonattendance. The attendance officer or other school personnel, the student, and the student's parent shall jointly develop a plan to resolve the student's non-attendance. The plan shall include documentation of the reason for the student's nonattendance.
- C. If the student is absent an additional day after direct contact with the students' parent, and no indication has been received by school personnel that the student's parent is aware of and supports the student's absence, the school principal or his/her designee shall schedule a conference within ten school days with the student, the student's parent, school personnel, and community resources as needed to resolve issues related to the student's nonattendance. The conference is to be held no later than fifteen days after the sixth absence.

 - 2. Instituting proceedings against the parent pursuant to #18.2-371 or #22.1262.

III. School Responsibility

- A. Teachers will take attendance each day in each class within the first 15 minutes of class. The grade level administrative office will be notified of student absences.
- B. After 3 unexcused absences, teachers will make a call home to inform the parent/guardian of the absences and to notify them that **five unexcused absences may constitute failure for the grading period in which the absence occurs. Ten or more absences, excused or unexcused, may result in failure for the year.**

IV. Parent Responsibility

EXTENDED ABSENCES

Students absent from school for one to two weeks due to injury or illness should contact their school counselor for further assistance.

EARLY DISMISSALS

The student presents a note requesting the early dismissal to their grade level Administrative Office before the start of the school day. The request must include the reason for leaving, time of requested dismissal, and parent/guardian's signature and telephone number for verification. An early dismissal will be written for the student only after verbal verification by parent or the person designated as the emergency contact has been received. A student has three school days to arrange for completion of any work missed due to an absence. Please note that it is the student's, not the teacher's responsibility to make such arrangements. As a general rule, two weeks is the time limit for making up an incomplete grade. A failing grade will be assigned to all work not made up within the prescribed time.

HOMEBOUND INSTRUCTION PROGRAM

Students absent from school for three weeks or more due to injury or illness may be eligible for homebound instruction. This program is designed to permit students who are confined for serious illness or injury to keep up with other class members. Additional information about the homebound program can be obtained from administration.

IF A STUDENT IS UNABLE TO PARTICIPATE IN PHYSICAL EDUCATION

All students are expected to dress out and participate. Exceptions may be made if a student brings a note signed by parent/guardian stating the reason and gives it to the physical education teacher. For prolonged illness or injury over 2 days, a doctor's note is required. Please refer to regulation 636-1 and fill out the attached form.

COUNSELING SERVICES

Counseling services are available to all students. These services include personal counseling, assistance with educational planning, interpretation of test scores, information on occupations and careers, help with studies, and consideration of any question which students might ask of their counselor. Counselors are assigned students for counseling and administrative purposes, but a student may request to see any counselor. A student must complete a Counselor Request Form and place it in his/her counselor's box located in the counseling hall. Students may request a meeting before and after school or during lunch. A pass will be issued for an appropriate time and sent to the student in a timely manner. In cases of emergency, a student may come to the counseling department at any time.

Any class dropped after the first semester will be recorded as a failure (F) for the year.

ACADEMIC INFORMATION

GRADING POLICY

The evaluation of student achievement is one of the important functions of the teacher. The established grading policy for Prince William County Schools is as follows. Effective 2009 – Current:

Grades		Grade Point Values		AP / AICE	
A	90 - 100	A	4.0	A	5.0
B+	87 - 89	B+	3.4	B+	4.4
B	80 - 86	B	3.0	B	4.0
C+	77 - 79	C+	2.4	C+	3.4
C	70 - 76	C	2.0	C	3.0
D+	67 - 69	D+	1.4	D+	1.4
D	60 - 66	D	1.0	D	1.0
F	59 & below	F	0	F	0

Note #1 – During each grading Period a student who has a passing grade but does not complete 65% of the assigned, evaluated work may be subject to a failing grade of 59%.

Note #2 – Extreme variations in student performance will be evaluated on an individual basis with approval for the final grade being given by the local school administration. For example, a student with passing grades for the first semester, who performs little work the second semester is subject to failure for the year under this provision.

Note #3 – If a student does not meet the course credit requirements for graduation by the end of his/her senior school year, he/she will not participate in the graduation ceremony, per regulation 662-1B, Diploma.

An incomplete (I) is given only in those cases where illness, emergency, or by pre-arrangement, the student has not been able to complete all assignments for the grading period.

FINAL EXAMINATIONS

Comprehensive examinations are required in all subject areas. Students who do not take the final exam will receive a “0” for their exam grade. The examination constitutes ten percent of the students’ final grade. Make-up examinations will be given, during the summer, only to those students who have prior approval of the principal and to those students with verified excused absences.

EXAM EXEMPTION

All students who have an “A” average for the year are exempt from taking the final exam in that course. In courses for which there is an SOL (Standard of Learning) test, a student is exempt from the final exam if he/she passes the SOL test. If a student passes the SOL test at an Advanced level, the student will receive an “A” (100) for the final exam grade. If a student passes the SOL test at a Proficient level, the student will be exempt from his/her final exam and the third and fourth report card marks will be averaged to obtain the second semester grade. All students who pass an SOL test will be permitted to take the final exam if they choose. If a student passes an SOL test and elects to take the final exam, the final exam grade will be calculated into the student’s final grade for the class.

ELECTRONIC DEVICES

Students may possess electronic entertainment devices on school grounds before and after school. Students may use these devices, appropriately, during lunch in the cafeteria and during transition. Phones may **NOT** be used during instructional time; this includes in the hallway or during a restroom break. Students may not record (audio or video) classroom activities without permission of the principal/designee. Recording in restrooms and/or locker rooms is also prohibited. Students who record campus disruptions will face discipline consequences. Devices will be confiscated from students failing to comply with individual teacher expectations. Confiscated devices will only be returned to a parent/guardian.

***** POTOMAC HIGH SCHOOL IS NOT RESPONSIBLE FOR LOST/STOLEN
ELECTRONIC DEVICES ON SCHOOL GROUNDS *****

LITTERING

Students shall help to maintain a clean and healthful school environment by properly disposing of trash while in the cafeteria, classrooms, hallways, and elsewhere in the school and on school grounds, buses, bus stops and at school-related activities. Violators are subject to community service, detention, or OSS depending on the circumstance.

DISCIPLINE PLAN

During the school year, the main goal of the administration and staff is to ensure that Potomac Senior High School provides a quality education for all students. In order for this to occur, teachers must be able to teach in classes that are safe and free from disruptions. Students must be able to enter the school with the feeling that they are safe and secure.

To make sure that the school environment is conducive to learning, a **FIRM** but **FAIR** discipline plan will be put in place. The primary aim of this plan is to clearly define policies, procedures, and consequences for infractions in order to create a safe and secure learning environment.

As part of Potomac Senior High School's campaign to eliminate inappropriate behavior, this plan will be reviewed with students during the first week of school by the administration and the teachers. Parents will also be made aware of the discipline plan and are encouraged to periodically review this information with their child.

The school discipline matrix presented serves only as *guidelines* for school consequences. Potomac HS reserves the right to implement Saturday School, Evening School Detention, or OSS for egregious violations of school rules and/or at administrative discretion.

APPEAL PROCEDURE

Parents have the right to appeal decisions made concerning their student. In general, problems and concerns can be resolved at the level at which they occur.

A class related problem would be most effectively resolved by calling the School Counseling Department and arranging a conference with the teacher(s) involved. If the teacher conference fails to resolve the matter, the assistant principal will be happy to help resolve the problem. If parents are not satisfied with the administrator's decision, they may contact the school principal. It is important to note that all appeals must be made in writing and hand delivered to the appropriate office. All appeals must include the student's account of the incident as well as the reason for believing the suspension is unjustified. If appealing an offense, which has created a major disruption or potentially dangerous situation, the student will remain out-of-school until a final decision is rendered. If the matter is still not resolved, the principal will help the parent reach the appropriate person in the Central Office to continue their appeal.

SEARCH AND SEIZURE

Regulation 737-1

The purpose of this regulation is to provide specific guidelines relating to searches of a student's person, locker, personal property, , electronic devices, or their vehicle located on school property or at school-sponsored activities. Only administrators, or their designees, shall conduct searches for the safety and well-being of students and staff, the security of property, and to maintain discipline. Searches shall be conducted when reasonable suspicion exists that the student is in possession of an item that is in violation of the PWCS "Code of Behavior," Prince William County School Board policies, PWCS regulations, or state and federal laws.

The authority to conduct searches is granted to staff by the school principal. Those staff may include assistant principals, administrative interns, teachers on special assignment, and school security personnel. A witness can be any staff member.

Law enforcement officers or school resource officers (SROs) should only be used to conduct searches for school purposes when school staff or student safety is a concern. Law enforcement officers may question and/or search students, their possessions, lockers, or vehicles in accordance with Virginia law.

TRESPASSING

Students may be in approved areas of the school building and ground during normal school hours or after hours with the approval of a school staff member. Students are considered to be trespassing if they are present at a school other than the school in which they are enrolled unless they are attending an approved school activity or have the approval of a school staff member.

Students who have been suspended or expelled are not allowed on any school property (including school buses) or at any school-related activities without the permission of the school principal. Students who are trespassing on any school property are subject to arrest and corrective action at school. All visitors must report directly to the office.

TRANSPORTATION

- Bus transportation is provided for all Potomac students with the exception of some transfer students.
- Students should follow all bus rules and regulations as provided.
- When exiting buses in the morning, students should report directly to the building.

EXTRA-CURRICULAR AND CO-CURRICULAR ACTIVITIES

GENERAL INFORMATION

Extra-curricular and Co-curricular activities are an integral part of Potomac's education program. These activities include athletics, clubs and organizations, plays, concerts, assemblies, student publications, and dances. Students are encouraged to participate in all activities available to them. In order to maintain eligibility, **high school students participating in interscholastic athletics**, cheerleading, marching band, and drill team must pass five subjects and earn a "C" or better in 2 subjects at the end of the first and second semester. Student assistant electives such as science lab assistant, physical education assistant, etc... may not be counted toward meeting the standards. This regulation applies to practice as well as games.

Subsequent eligibility determination at the end of designated semester reporting periods is made on the scheduled day that grades are posted.

Any OSS (Out of School Suspension) for an athlete will result in that athlete sitting out one or more games.

CODE FOR INTERSCHOLASTIC ATHLETICS

The spectator should:

1. Realize that he/she represents the school just as definitely as does the member of a team; therefore, he/she has an obligation to be a true sportsman, encouraging through this behavior the practice of good sportsmanship by others.
2. Recognize that good sportsmanship is more important than victory by approving and applauding good team play and individual skill, as well as outstanding examples of sportsmanship and fair play exhibited by either team.
3. Recognize that the primary purpose of interschool athletics is to promote the physical, mental, moral, social, and emotional well-being of the players through the medium of contests; therefore, victory or defeat is in reality of secondary importance.
4. Treat visiting teams and officials as guests, extending to them every courtesy.
5. Be modest in victory and gracious in defeat.
6. Respect the judgment and integrity of officials, realizing that their decisions are based upon game conditions as they observe them.

SUBSTITUTE TEACHERS

Our school is fortunate to have capable people to help us whenever our regular teachers are absent.
