

## AFFORDABLE INTERNET ACCESS

Now that your child(ren) is/are at home, and continuing their education through a Virtual Schoolhouse, they will need internet access. Below are two ways that you can obtain access if needed:

1. Visit a FREE Wi-Fi Parking Lot near you. Prince William County has set up outdoor internet access at several schools across the county. Right now, you can drive your child, to the following schools, and sit in the car as they work on their laptop or other device:
  - Fitzgerald Elementary School
  - Forest Park High School
  - Johns Jenkins Elementary School
  - Parkside Middle School
  - Mullen Elementary School
2. You may qualify for 2 FREE MONTHS of home access through Internet Essentials if:
  - A. You are eligible for public assistance programs such as the National School Lunch Program, Housing Assistance, Medicaid, SNAP, SSI and others.
  - B. You live in an area where Comcast Internet service is available.
  - C. You are not an existing Xfinity Internet customer and have not subscribed to Comcast Internet within the last 90 days.
  - D. You have no outstanding debt to Comcast that is less than one year old.
  - E. Households with outstanding debt more than one year old may still be eligible. **(see below)**

Due to the Coronavirus emergency, households with outstanding debt owed to Comcast may be eligible for Internet Essentials. They are waiving this qualification, if you apply and are approved by 5/13/20. After 5/13/20, standard eligibility rules apply.

If you are eligible for Internet Essentials, apply by May 13, 2020, you will automatically receive the two-month free promotion. After the promotion, regular rates apply. Internet Essentials current rate is \$9.95 per month plus tax UNLESS YOU DISCONNECT SERVICE.
